Generally, report all contributions and expenditures every 30 days following the formation and registration of the slate campaign or committee. The report must be filed not later than five days after the last day of the calendar month. During the 56 days preceding a primary or regular election, reports must be filed every 14 days. A report is required 14 days preceding a runoff primary. Following each primary, runoff, and general election in which a slate is involved, a report is required 30 days after the election and every 30 days thereafter until the committee's account is terminated.
